

20th March 2020

Dear Parent or Carer,

School Closure from Friday 20th March 2020

In line with the recent Government announcements, all schools will be closing from the end of the school day on Friday 20th March.

Also in line with the Government expectations, children of key workers and vulnerable pupils will be able to attend an educational setting. In order to allow us to plan suitable provision for these children, Alverton School will be closed for to all pupils on **Monday 23rd March and Tuesday 24th March.**

We are expecting to have provision in place for the children of key workers and vulnerable pupils from Wednesday 25th March.

We will be applying the Government guidance on the definition of Key Worker roles.

If eligible, and you haven't done so already, please let us know by the end of today and we will send you more information. You will then be contacted individually with the details of the provision for your child/children by 5pm Tuesday but we will try to get this information to you as early as possible.

We will use the in-school communication system (usually text or messaging service) to keep you updated on this evolving situation.

All parents/carers, please be aware that if we do not contact you on Monday or Tuesday next week, then your children will be expected to stay at home in your care.

Thank you for your support and understanding at this challenging time.

Yours faithfully,

Dr J Blunden OBE
Chief Executive
