

KS1 RE Knowledge Organiser: What does it mean to be part of a faith community?

By the end of this unit, I will be able to:

Make sense of beliefs:

- Recognise that loving others is important in lots of communities
- Say simply what Jesus and one other religious leader taught about loving other people

Understand the impact:

- Give an account of what happens at a traditional Christian and Jewish or Muslim welcome ceremony, and suggest what the actions and symbols mean
- Identify at least two ways people show they love each other and belong to each other when they get married (Christian and/or Jewish and non-religious)

Make connections:

- Give examples of ways in which people express their identity and belonging within faith communities and other communities, responding sensitively to differences
- Talk about what they think is good about being in a community, for people in faith communities and for themselves, giving a good reason for their ideas.

What I have already learned in RE:

- Who is Muslim and what they believe (KS1)
- What Christianity is and what Christians believe (KS1)
- About celebrations around the world (EYFS)
