- Understand what a festival is and how they originate from Cornwall.
- We will learn about the different stories of Cornish saints and how that has effected Cornwall.

What I have already learned about Christianity

I will know about some sacred Cornish places from KS1.

We have learnt about Christianity and the stories from the Bible (Pentecost, Creation, The Fall) from around the world.

Information that will help me

- Cornwall has a variety of festivals such as Golowan, May Day, Flora Day and Beltane that are celebrated during different times of the year.
- The Cornish Flag is Saint Piran's, who was the Cornish Saint of tin-miners. Many people believe him to be the saint of Cornwall.
- In Cornwall there are a variety of landmarks, including those of Christian faith and from Paganism.
