Information that will help me

- Jesus was Jewish and Christians believe that Jesus is God in the flesh.
- They believe that his birth, life, death and resurrection were part of a longer plan by God to restore the relationship between humans and God.
- The Old Testament talks about a 'rescuer' or 'anointed one' — a messiah. Some texts talk about what this 'messiah' would be like.
- Christians believe that Jesus fulfilled these expectations, and that he is the Messiah. (Jewish people do not think Jesus is the Messiah).
- Christians see Jesus as their Saviour.

The Bible 'Big Story'

The Bible Big story is the story of God's relationship with his people. The Bible is made up of many different books written in different styles for different audiences but it all tells the one big story of God's rescue plan for his people. Christians believe that the Bible is the way that God speaks to them through the story of his love for them.
