Alverton Primary School is a community in which outstanding behaviour and conduct is nurtured in order to create positive learning behaviours which enable children to maximise their learning potential and achievement.

Everything we do is underpinned by our Golden Rule: **“Treat others as you would like to be treated”**.

We understand that **for every right we own, we have an equal responsibility** to ourselves and the rest of the Alverton School community.

One of the most important aspects to Behaviour Management at Alverton School is the positive **rewarding of good behaviour**. This includes:

- Individual praise and encouragement
- Appropriate written comments on work
- Awarding of certificates, stickers, commendations and privileges
- Public commendations for good behaviour and work
- Recommendations for a Star of the Week award
- Positive communications with parents to share success
- Awarding of House Points
- Individual class-based reward schemes

If a child’s behaviour is causing concern this will normally be managed on an informal basis. However, if an informal strategy fails to cause a change in a child’s behaviour, or an individual incident is considered to be of a sufficiently serious nature, then the **Sanctions Procedure** should be invoked (please see back page of this leaflet).

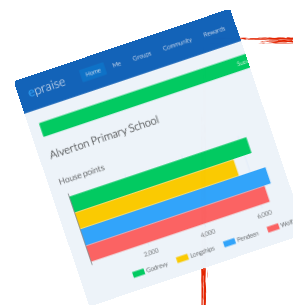

The procedure is an escalating scale of response and is designed to make all behaviour manageable whilst providing opportunities for the individual child to make the necessary improvements to their behaviour.
