

Can you write a better one than this?????

Here is an example of what you might write:

**T'was the night before Christmas and all through the house
Not a creature was stirring, not even a mouse**

When suddenly outside I heard jingle bells
And saw Santa and his reindeer and some of his elves.

He was wearing a red suit and black boots and a hat
He was big and strong and round and fat

He put presents in stockings and toys under the tree
And ate up the mince pies we had left for his tea.

He went back up the chimney to see his reindeer
And he checked his map to see where to go from here

He started his sleigh and smiled and said
"Merry Christmas to you – now get back to your bed!"
