

It has been lovely to see you all in the mornings as you come into school with your children who are so smiley and happy and ready for the school day. Even the rainy mornings haven't brought any gloom to their arrival and, as the weather has improved as the days have progressed, they have been able to get out and about and enjoy running about at lunchtime with their friends in our amazing grounds. As I write this in my office, I can see lots of windswept children (and lunchtime supervisors!) making the most of the sunshine and enjoying the fresh air.

Best wishes for an enjoyable weekend with your families,

Simon Brown
Headteacher

The deadline for applications is **15 January 2024**

Do you have a child born **between 1 September 2019 and 31 August 2020?**

If so, you will need to apply for a place in a reception class in September 2024 for that child by the deadline of **15 January 2024**.

Please note: you will need to apply even if your child attends a school's nursery or pre-school class. If a school is oversubscribed the fact that a child attends a school's nursery or pre-school, or a local nursery or pre-school, does not automatically guarantee a place at that school. The school's oversubscription criteria will be used to allocate places. Visit our website or contact us for more information.

Visit www.cornwall.gov.uk/admissions for more information and to access the online application system

Absence from school

If your child is unwell or will not be attending school it is your responsibility to contact the school on the first day of absence no later than 9.30am (there is an answering machine if you wish to leave a message before 8am). If we have not heard from you by this time we will need to telephone home to ascertain the nature of your child’s absence. This is in line with the Government’s policy on attendance. Please note that any child who is ill with sickness or an upset stomach should remain away from school for 48 hours after the last episode of illness.

What Parents & Carers Need to Know about

WHATSAPP

AGE RESTRICTION
16+

in UK and Europe;
rest of the world 13+

With more than two billion active users exchanging texts, photos, videos and documents, as well as making voice and video calls, WhatsApp is the world's most popular messaging service. Its end-to-end encryption only allows messages to be viewed by the sender and any recipients: not even WhatsApp itself can read them. This privacy issue has been in the spotlight recently, as the UK's Online Safety Bill proposes to end such encryption on private messaging; WhatsApp is unwilling to do so and has reportedly considered withdrawing its service in the UK should this legislation go ahead.

WHAT ARE THE RISKS?

EVOLVING SCAMS

WhatsApp's popularity makes it a lucrative hunting ground for scammers. Recent examples include posing as the target's child, requesting a money transfer because of a spurious 'emergency'. Plus a scam where fraudsters trigger a verification message by attempting to log in to your account, then (posing as WhatsApp) call or text to ask you to repeat the code back to them, giving them access.

CONTACT FROM STRANGERS

To start a chat, someone only needs the mobile number of the WhatsApp user that they want to message. If your child has ever given their number out to someone they don't know, that person could then contact them via WhatsApp. It's also possible that your child might be added to a group chat (by one of their friends, for example) containing other people that they don't know.

FAKE NEWS

WhatsApp's connectivity and ease of use allows news to be shared rapidly – whether it's true or not. To combat the spread of misinformation, messages forwarded more than five times on the app now display a "Forwarded many times" label and a double arrow icon. This makes users aware that the message they've just received is far from an original – and might not be entirely factual, either.

'VIEW ONCE' CONTENT

The facility to send images or messages that can only be viewed once has led to some WhatsApp users sharing inappropriate images or abusive texts, knowing that the recipient can't re-open them later to use as evidence of misconduct. People used to be able to screenshot this 'disappearing' content – but a recently added WhatsApp feature now blocks this, citing increased privacy.

CHAT LOCK

Another new option allows users to store certain messages or chats in a separate 'locked chats' folder, saved behind a passcode, fingerprint or face ID authentication. The risk here is that this function creates the potential for young people to hide conversations and content that they suspect their parents wouldn't approve of (such as age-inappropriate material).

VISIBLE LOCATION

WhatsApp's 'live location' feature lets users share their current whereabouts, which can be helpful for friends meeting up or parents checking that their child's safe on the way home, for example. However, anyone in your child's contacts list or in a mutual group chat can also track their location – potentially letting strangers identify a child's home address or journeys that they make regularly.

Advice for Parents & Carers ...TYPING...

EMPHASISE CAUTION

Encourage your child to treat unexpected messages with caution: get them to consider, for example, whether the message sounds like something a friend or relative would really send them. Make sure they know never to share personal details over WhatsApp, and to be wary of clicking on any links in messages. Setting up two-step verification adds a further layer of protection to their WhatsApp account.

THINKING BEFORE SHARING

Help your child to understand why it's important to stop and think before posting or forwarding something on WhatsApp. It's easy – and all too common – for content to then be shared more widely (even publicly on social media). Encourage your child to consider how an ill-judged message might damage their reputation or upset a friend who sent something to them in confidence.

ADJUST THE SETTINGS

It's wise to change your child's WhatsApp settings (go to 'Privacy', then 'Groups') to specify which of their contacts can add them to group chats without needing approval; you can give permission to 'My Contacts' or 'My Contacts Except ...'. Additionally, if your child needs to use 'live location', emphasise that they should enable this function for only as long as they need – and then turn it off.

CHAT ABOUT PRIVACY

Some parents like to check in with their child about how they're using WhatsApp, explaining that it will help to keep them safe. If you spot a 'Locked Chats' folder, you might want to talk about the sort of chats that are in there, who they're with and why your child wants to keep them hidden. Also, if your child has sent any 'view once' content, you could discuss their reasons for using this feature.

Free School Meals / Pupil Premium

<https://www.cornwall.gov.uk/schools-and-education/schools-and-colleges/school-meals/>

Registering a child as eligible for free school meals (as described below) means that your child receives a free meal every day (though they can, of course, bring a packed lunch should they prefer) but there are additional benefits too. Pupil Premium brings more money into the school to help children achieve and learn. Children in receipt of the Pupil Premium also receive other benefits (eg contributions towards Key Stage 2 camps and funding to use for uniform, music lessons, trips etc). At some times, there are further benefits for these children such as food vouchers during holiday times where these are given. Please see the Pupil Premium Provision Map in the Pupil Premium section of our website http://www.alverton.org.uk/website/pupil_premium/172518 or speak to Mrs Gill or Mrs Stacey in the office or contact Mrs Simpson who leads our Pupil Premium provision.

The easiest and quickest way to apply for free school meals is online through the Cornwall Council website but, if you are unable to do this, you can call the Free School Meals team on 01872 323298 and a member of the team will call you back to complete the application over the phone.

A child is eligible for free school meals if their parent / carer (or the child themselves) receives any of the following benefits:

- Income Support (IS)
- Job Seekers' Allowance (Income-Based) and equal based Job Seekers Allowance
- Income Related Employment and Support Allowance (ESA-IR) and equal based Employment and Support Allowance
- Child Tax Credit (CTC) with an annual income of less than £16,190
- Working Tax Credit run-on - paid for 4 weeks after you stop qualifying for Working Tax Credit
- Guarantee Element of Pension Credit (GPC)
- Immigration and Asylum Act 1999 (IAA) Support
- Universal Credit - your household income must be less than £7,400 a year (after tax and not including any benefits you get) as assessed by earnings from up to three of your most recent assessment periods

If you are claiming the benefits listed below you are NOT eligible for free school meals, regardless of what other benefits / credits are being claimed:

- Working Tax Credit
- Contribution-Based Job Seeker's Allowance and / or Contribution-Based Employment and Support Allowance

NB All Reception, Year 1 and Year 2 pupils are entitled to receive a free school meal as part of the Universal Infant Free School Meals (UIFSM) initiative, regardless of what benefits are being claimed. However, some children in Reception, Year 1 and Year 2 may also have an entitlement to benefits-related free school meals and it is important to apply for these if you think your child may be eligible.

Registering for free school meals / Pupil Premium is confidential. If you think that your child is eligible, we strongly recommend that you contact Cornwall Council as detailed above. Mrs Gill and Mrs Stacey in the office will also be able to help you and answer any questions you may have.

Thank you.

DIARY DATES

Monday 30th and Tuesday 31st October	INSET Days - school closed

Well, it's been three weeks since term started (I think I've got that right but I can't promise) and I am thoroughly settled into my school/home part-time routine and feeling very comfortable and happy with school generally, which is great (especially for the family at home who would often get the very tired version of me in the evenings and at the weekend). I have more time for them and my friends and, well, more time for me too. Which is fabulous. However I am very aware that I am fortunate enough to be able to do that, and that not everybody around me is so lucky. If any aspect of your world makes you feel sad, anxious, worried, frustrated or plain shattered, come and find me, I'll listen, make a cuppa, offer a biscuit - any or all of those things are mine to give. Take care, have a super weekend and remember, I'm here if you need me. Mrs Daylak xxxx
