

# THE TWELVE DAYS OF CHRISTMAS

Today we are going to look at a different Christmas poem/song. Read the original version through / watch it on youtube or sing it if you like!

Your task is to write your own version of the song thinking of things you would like to give....

eg for 5 gold rings you might like 5 mince pies!

There is an example for you to look at.

Have some fun, write out your own version of the song and sing it to your family.

You can record the song if you have a device!
