

KS1 Geography Knowledge Organiser: Coasts

Prior learning:

EYFS

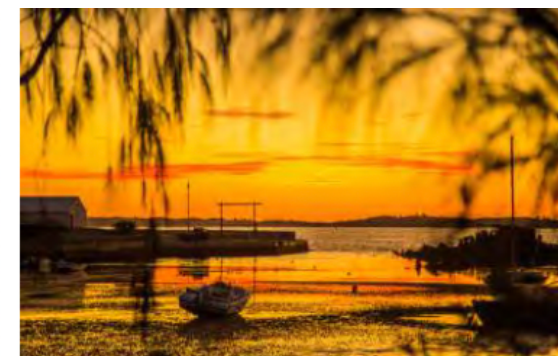

- The seaside – seaside holidays and habitats.

KS1

- Name and locate the countries, capitals and seas of the UK
- Use geographical vocabulary to refer to key physical and human features.

Core learning:

1. Identify features of places by the seaside.
2. Describe features of our seaside (fieldwork).
3. Identify how the wind and waves can change seaside landscapes.
4. Compare and contrast our coast to the Jurassic Coast (virtual fieldwork).

Key Vocabulary & Concepts

Coast	A place where the land meets the sea.	Tide	The rise and fall of the sea at a place.
Seaside	A place by the sea, especially where people go on holiday.	Waves	Ripples of energy that travel through water.
Beach	A place where the land runs into the sea.	Harbour	A place on the coast where boats and ships can stay safely.
Shore	The land along the edge of a sea or lake.	Port	A town or city by the sea or a river that has a harbour where boats and ships can load and unload.
Cliff	A steep rock face.	Lighthouse	A tower containing a beacon light to warn or guide ships at sea.
Cave	A natural hollow space.	Fieldwork	Learning/doing geography outside the classroom.
